'Venerate the Plough': A History of the Philadelphia Society for Promoting Agriculture, 1785-1985 (Philadelphia, 1985)

Reviews

"[An] admirable history ... [a] finely-printed and well-produced work." (Journal of the Royal Society of Arts)

"An engaging vignette of Philadelphia history." (Agricultural History)

"Baatz, a historian of science ... writes well and skillfully." (Choice)

"Baatz carefully connects the history of his institution to familiar themes in American history ... Historians of Pennsylvania agriculture will find Baatz's account a welcome introduction to a significant agricultural society." (Western Pennsylvania Historical Magazine)
